

PRICES FOR ORGANIC INSPECTION AND CERTIFICATION IN 2021

Prices do not include VAT (27%)

1. Production/farmers

1.1 Plant production

The annual price in case of plant production depends on the size of the farm and the type of the cultivated plant (see below table). The complete annual price is composed of the basic fee and the fee depending on the crop.

Size of the organic unit ha	Basic fee Ft/unit	Arable land Ft/ha	Special crops (Fruit/Vegetable) Ft/ha	Greenland Exercise area Ft/ha	Greenhouse Ft/m ²
0-49	50.000.-	2.350.-	5.360.-	340.-	27.-
50-99	60.000.-	2.100.-	4.830.-	340.-	27.-
100-149	75.000.-	1.890.-	4.250.-	340.-	27.-
150-299	100.000.-	1.630.-	3.730.-	340.-	27.-
ab 300	140.000.-	1.370.-	3.150.-	340.-	27.-

The annual minimum fee independently from the size of the farm is 75.000 Ft.

1.2 Animal husbandry

The inspection fee for the animal husbandry is calculated based on the nitrogen production.
13 Ft / kg nitrogen(N) (1 animal unit is 85 kg N)

1.3 Beekeeping

Annual basic fee: 50.000.- Ft
Price per colony: 250.- Ft
Inspection: 20.000.- Ft per hour (invoicing in ¼ hour splitting)
Basic fee and inspection is charged only in case of farms without land.

1.4 Conventional unit

Inspection fee for the conventional unit:
Size of the whole farm 0-49 ha: 10.000.- Ft
Size of the whole farm 50-99 ha: 25.000.- Ft
Size of the whole farm 100 ha - : 50.000.- Ft

1.5 Inspection of other activities

For wild collection, subcontractor activity, trade with agricultural products, mushroom production, production of seedlings and processing a fee of 20.000.- Ft will be charged.

If an agricultural producer also deals with trade and operates a processing factory, so that the inspection can be conducted the same day, we do not charge any travel cost.

1.6 Agricultural units without land

Mushroom production and production of seedlings

Annual basic fee: 75.000,- Ft

Inspection: 50.000,- Ft

2. Processing, Trade, Import and Subcontracting activity

Annual basic fee: 75.000.- Ft

Preparation of the inspection: 20.000.- Ft

Inspection: 20.000.- Ft per hour (invoicing in ¼ hour splitting)

Travel cost: 5.000.- Ft per hour + 90.- Ft per km

Administration/Certification: 20.000.- Ft per hour (invoicing in ¼ hour splitting)

Other related costs (e.g. accommodation) will be charged.

Travel cost (driven km and traveling time) will be charged in every case from the office of the company located in Budapest.

In case our client has a subcontractor, the same price is applicable as in point 2, except the yearly fee and preparation fee which will not be charged. In case the inspection of the subcontractor is conducted on the same day and place as our client's inspection, we do not invoice the travel cost twice.

3. Additional inspections, spot inspections, sample taking

Additional inspections (e.g. status splitting), inspections required by the authority, inspections in case of suspicion, sample taking and laboratory analysis (except from compulsory sample taking) and cost of labor analysis in case the result is positive due to its own fault will be charged based on the cost incurred (see: Point 2).

4. Additional services

4.1 Inspection of private standards

Inspections according to other standards, compilation of reports, translation, support and administration:

Inspection: 20.000.- Ft per hour (invoicing in ¼ hour splitting)

Travel costs: 5.000.- Ft per hour + 90.- Ft per km

Administration: 30.000.- Ft

Expenses of private standards, which will be charged directly for the inspection body, will be charged further to the client.

4.2 Additional cost elements

- Procedure before public authorities (request for information, shortening of conversion plan, conversion plan or request of measure) 20.000.- Ft
- Correction of list of fields/crop rotation plan 20.000.- Ft
- Administration 20.000.- Ft per hour (invoicing in ¼ hour splitting)

4.3 Extra certificates

- Issuing of English or German certificates (first time) 12.000.- Ft/piece
- Modification of certificates 20.000.- Ft per hour (invoicing in ¼ hour splitting)

4.4 Additional costs

- In case the list of fields/crop rotation plan is not sent back until the specified deadline 25.000.- Ft will be charged.
- Cancellation of the already fixed inspection date is free of charge till 10:00am on the day before. After this, 20.000.- Ft will be charged for the cancellation.

5. Other provisions

Yearly inspection fee will be charged in two parts:

- First invoice (basic fee) will be sent after signing a contract or in the first quarter
- Second invoice will be sent after the inspection. It contains the inspection fee of crops, animals, and other activities. In case of small companies, the rest of the minimum fee will be charged.

The annual basic fee contains the risk analyses, 10% spot inspections and 5% sample taking.

Clients, who sign the contract in November or December, have to pay only the annual basic fee, except if the inspection and certification in the given year is necessary.

The prices for 2021 are valid from 2021.03.01 until recall.

Deadline for payment: 14 days after issuing the invoice.
